Box N	II Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)
This in	crnational search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons: Claims Nos.: because they relate to subject matter not required to be searched by this Authority, namely:
2.	Claims Nos.: because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:
3.	Claims Nos.: because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).
Box No.	waste unity of invention is lacking (Continuation of item 3 of first sheet)

The production methods according to claims 1 to 7, the technical serving the production methods according to claims 1 to 7, the technical serving the production methods according to claims 1 to 7, the technical serving the production methods according to claims 1 to 7, the technical serving the production methods according to claims 1 to 7, the technical serving the production methods according to claims 1 to 7, the technical serving the production methods according to claims 1 to 7, the technical serving the production methods according to claims 1 to 7, the technical serving the production methods according to claims 1 to 7, the technical serving the production methods. 37-12441 and JP Pub24868 and thus it cannot be considered that there is a special technical search common to them. Such being the case, these seven inventions cannot sidered as being so linked as to form a single general inventive concept. It is all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of my additional fee. It is all required additional search fees were timely paid by the applicant, this international search report covers ally those claims for which fees were paid, specifically claims Nos.:
t.] t Remark c	o required additional search fees were timely paid by the applicant. Consequently, this international search report is stricted to the invention first mentioned in the claims; it is covered by claims Nos.: Protest The additional search fees were accompanied by the applicant's protest. No protest accompanied the payment of additional search fees.
